Group Chief Financial Officer JD

Industry: Agriculture (Premium Fruits, Vegetables & Avocado Oil Export)

Reports To: Group CEO

Location: Nairobi, Kenya (Relocation Required)

About the Company

Our client is a leading Kenyan exporter of premium fruits and vegetables, supplying major international markets. Headquartered in Nairobi, they operate five state-of-the-art pack houses and a crude avocado oil extraction unit. They are part of a diversified group of 10+ companies with a strong presence across Kenya, Tanzania and Dubai.

Key Responsibilities

Strategic Planning & Financial Analysis

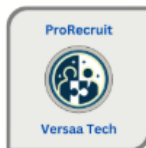

- Develop and execute financial strategies aligned with group goals, growth plans and fundraising objectives.
- Perform structured financial analysis, scenario planning and performance monitoring to identify improvement opportunities.
- Assess foreign exchange exposure and define hedging methodology across Kenya, Tanzania and Dubai operations.
- Participate in board finance meetings and prepare board-level reporting packages.

Financial Management & Reporting

- Lead monthly, quarterly and annual closing cycles by producing group consolidations and management accounts.
- Prepare consolidated financial statements with accurate multi-country tax reporting.
- Manage working capital, cash flow and investments to ensure financial stability across all entities.
- Oversee inventory management systems and production cost controls.
- Ensure compliance with IFRS, applicable accounting standards and statutory requirements across all jurisdictions.
- Manage investor relations for debt & equity and support fundraising or financing initiatives as required.
- Coordinate and drive annual operating, capital and program budgets.

Operations, Controls & Risk

- Build and continuously refine finance systems infrastructure to preserve company assets and ensure data integrity.
- Establish and oversee robust internal controls, audit trails and compliance policies across all entities.
- Lead financial risk management frameworks including currency, credit and operational risk mitigation.
- Manage the annual external audit process and maintain strong relationships with auditors.
- Liaise with local tax authorities to ensure full taxation compliance across all jurisdictions.

Human Capital Services!**

Technology & ERP

- Lead ERP implementation and optimization (SAP, Microsoft Dynamics, SAGE or similar) aligning systems with business workflows.
- Monitor business performance using KPIs and financial dashboards by implementing corrective actions where needed.

Leadership & Team Development

- Supervise, mentor and develop the finance and data management teams across all group entities.
- Promote a culture of accountability, high performance and a service mindset within the finance department.

Qualifications

- Qualified CA, ACCA (ICAP membership preferred) or equivalent relevant professional designation.
- Master's degree in Finance, Accounting or MBA from a recognized university is preferred.
- Minimum 10 years of total finance/audit experience, with at least 4 years in a senior management or CFO-level role.
- At least 2 years of international experience outside Pakistan preferably in group or multi-company structures.
- Proven experience in complex commercial organizations ideally Agriculture, Manufacturing, FMCG or Export sectors.
- Strong background in group reporting, consolidations and multi-entity financial management.
- Hands-on experience configuring and implementing ERP systems.
- In-depth knowledge of IFRS, corporate financial law, risk management and compliance.
- Solid understanding of tax, commercial, banking and foreign exchange regulations.
- Proven experience in budgeting, costing, financial forecasting and scenario analysis.
- High proficiency in Excel and financial management software.
- Mission-focused leader who delivers cost-effective outcomes in fast-paced entrepreneurial environments.

Compensation & Benefits

- Competitive salary paid in USD, net of tax — all Kenyan salary taxes borne by the company.
- Single-person accommodation provided by the company in Nairobi.
- Company vehicle (approx. 1,800 cc) with monthly fuel allowance.
- Kenyan work permit costs fully covered by the company.
- One round-trip air ticket to home country per year.
- In-patient medical insurance cover.
